Who Goes First?

We'll bring you exciting talk and more!

This is fantastic!
Is everyone having fun?

Title

I'm first.
We're doing four-frame manga as a bonus and 'side characters' is the theme!

It's no surprise!
I'm the most striking side character!

Why do you go first?

Hey, wait up!

This manga is for the side characters. Main characters must follow. What a pain!

Oh? What does this mean?

Who's last?

It should be the least prominent one!

Shouldn't the lead character be the best side character?

That's not fair!

Well, according to the plot...

Yeah! It's our cue! ♡♡

An obscure character?

Good point. In the popularized version (2000) (2000)

Also, they're not members. Can

they have a shot at the seat?

Oh, we finally got a turn...

You guys need side.

Bye-Bye

This is the last page. Thank you for reading all the way to the end. It's already six volumes long. Perhaps that is considered long for shōjo manga. Although I've experienced much hardship, I've also had so much joy. After I finish writing this, I'll be working on the final chapter. I feel deep emotions about this series coming to an end, but I'm excited to know its conclusion as well... So'll be my pleasure if you enjoy it all the way to the last page. The upcoming volume 7 will be the final volume. I hope you'll support me to the very end.
